## Experience

### AVERO DIAGNOSTICS / NORTHWEST (NW) PATHOLOGY

Accounts Receivable Specialist – Insurance Claims

June 2022 - Present (4 years 4 months)

- Based from home, currently working a second job as an Insurance Specialist for two national organizations. Handle and process an average of 100 insurance claims per day involving women's health, men's health, and COVID test cases.
- Verify patient eligibility for insurance coverage through web portal
- Daily interface with insurance companies and contact doctors offices to obtain diagnosis codes, patient insurance info, etc.
- Follow up on all insurance claims by web portals, calls or other venues within 30 days of initial claim. Identify and resolve any issues associated with claims such as denials, payment delays, erroneous information, etc.
- Write and submit thorough, accurate and persuasive appeals to include requisite documentation.

- Liaise with doctors to obtain essential referrals and pre-authorizations for assigned claims as needed.
- Compile and maintain accurate, clear, concise, and complete account notes and records.
- Check and ensure accuracy of explanation of benefits to patients prior to sending bills for co-insurance / deductibles owed.
- Check and validate accuracy of all ICD codes billed to insurance companies for medical procedures.

## Credit Control Corporation

21 years 1 month

### Accounts Receivable Specialist / Team Supervisor

March 2022 - Present (4 years 7 months)

11821 Rocklanding Dr

- Requested to remain on staff after the sale of CCC in February 2022. Transitioned to comply with a new business model established by new owners, becoming an A/R Specialist, essentially fulfilling the same responsibilities as previously.
- Working from home, collect on a portfolio of millions of clients / patients for contracted customer healthcare organizations.
- As Team Supervisor, train, coach and quality assure the efforts of 24 home-based collection associates.

## Medical Bill Collector

September 2005 - February 2022 (16 years 6 months)

- Accomplished 16+ years prior experience as one of 25 staff in the organization's Medical Collections Division, servicing a portfolio of millions of clients / patients for major organizations such as Sentara Health Systems, Medical College of Virginia, University of Virginia and affiliates, Chesapeake Regional Medical Center, Bon Secours Maryview Medical Center, Community Memorial Hospital, etc.
- Expedited an average of 35 client contacts hourly to solicit payments, make payment arrangements, or initiate the legal collection process. Key contributor to a Department production effort that delivered ~\$2.5 million in collections monthly.
- Devoted half of each shift to administering accounts, conducting skip traces, contacting attorneys and insurance companies, researching workers compensation claims, processing pay reports, distributing letters and expediting other clerical tasks.

## Heartbreak Cafe

Bartender / Waitress / Barback

1991 - 2005 (14 years)

Virginia Beach, Virginia, United States

- Worked all areas of the front house operation for a night club. Reconciled end-of-shift receipts and replenished inventory.
- Accomplished nearly 10 years cumulative experience in an extremely busy customer service oriented environment.

## ANGELINA COUNTY DISTRICT COURT

Deputy Clerk of Court

February 1995 - October 1999 (4 years 9 months)

Lufkin, Texas, United States

- One of a team of six clerks working the reception line for four district/county courts. Initiated, filed and assigned causes of action in civil, criminal and family matters including divorces, name changes, adoptions, serious personal injury, child custody and support, delinquent taxes, felony indictments, revocations, bond forfeitures, non-disclosures and expunctions.
- Issued writs, citations, abstracts of judgments, executions, warrants, restraining orders, temporary orders, show cause orders, and subpoenas.
- Prepared civil and criminal appeals, attended trials and grand jury indictments, maintained exhibits, and provided clerical assistance to prosecutors and judges as requested during court. Assisted judges with caseload planning and management.
- Indexed records, conducted background checks/searches, maintained/filed permanent records, processed Passports, and reconciled/deposited receipts into the Registry of the Court.
